

# Single Straight Sliding Door Kit

## SF-A90 Ceiling Mounted

### Kit SF-A90

- **Pre-drilled track** for quick and easy ceiling installation.
- **Ball-bearing rollers** ensure smooth and silent sliding.
- **Double soft-close** system (SofTop) requires minimal force and works with panels as narrow as 600mm for a gentle, impact-free closing.
- **Complete kit** includes an aluminum top track, surface-mounted accessories, bottom track for panel groove, and bottom guide. Supports panels up to **90kg**.
- High durability, **certified by Applus** to **EN1527 standards**: Grade 6 durability (100,000 cycles) & Grade 3 corrosion resistance (96h).

A = H - 64
